Click "Agents"

Left Side Panel Displays All Agent / Consultant Names

|         |  |
|---------|--|
| Agent A |  |
| Agent B |  |
| Agent C |  |
| Agent D |  |

Click Any Agent Name

Display Agent Dashboard

---

## Agent Dashboard

The following KPI boxes must be displayed:

Total Consultations |

Today's Consultations |

Upcoming Consultations |

Pending Payments |

Total Revenue (Closed) |

Active Cases | Still under process

Closed Cases |

Client No-Show / Cancelled |

Agent No-Show |

Agent Cancelled Meetings |

Agent Leads

Definition:

This section shows the leads as well from the scan card from this consultant reference. But the leads will not be assigned under the agent until they book the consultation and do the consultation.

Agent Performance (%) |

Formula:

Agent Performance % =  
(Closed Cases ÷ Total Consultations) × 100

Agent Commission 10% From the total Revenue

---

# Final Developer Notes

1. Only management can reset or change agent passwords.
2. All password reset requests must go to [info@aaabusinessconsultancy.com](mailto:info@aaabusinessconsultancy.com).
3. Calendar must clearly distinguish Available, Booked, and Priority Rebooking slots.
4. Agent names must be displayed on the left-side menu under the Agents section.
5. Automated email notifications are required for:
  - Agent No-Show
  - Client Cancellation Follow-Up
  - Appointment Rebooking Requests
6. Agent Performance % must be automatically calculated using:  
$$(\text{Closed Cases} \div \text{Total Consultations}) \times 100$$
7. The system must generate real-time notifications for management regarding cancellations and no-shows.
8. System need to generate the ID for every leads
9. Add Sworn Translation in the Service drop down
10. Any consultant word change into Agents
11. We can remove and edit the Agents as well
12. In the leads section we can adjust the status
13. For the agents all leads we need the Recorded video link in the actions

## Staff Section Workflow

### Staff (Management Access)

#### Information Available in Staff

1. **All Paid Customers**
  - Display all customers who have completed payment.
2. **Services Purchased**
  - Display all services purchased by each customer.
  - Examples:
    - Spain Student Visa

- Spain Digital Nomad Visa
- Spain Residency Program
- University Admission Services
- Business Setup Services

3. **Customer Details**

4. **Attached Documents**

- Display all uploaded customer documents.

5. **Missing Documents**

- The system should automatically identify and display any missing required documents.
- Missing documents should be highlighted for easy follow-up.

6. **Customer Status**

- Each case must display its current status.

7. **Assigned Admin**

- Every customer case must be assigned to a specific admin staff member.

8. **Case Handler Information**

- Display the name of the admin handling the specific case.

9. **Notes Section**

- Internal notes section for admin staff.
