- Facebook Ads
- Instagram Ads
- TikTok Ads
- Google Ads
- WhatsApp Click Ads
- Website Forms
- Website Traffic
- Organic Social Media Content
- Instagram Comments
- Facebook Comments
- WhatsApp
- Facebook Messenger
- Instagram DM
- Telegram
- WeChat
- LINE
- Viber
- Discord
- Snapchat

↓

##### **AUTOMATED FIRST RESPONSE**

All leads automatically receive the following message:

"Greetings from AAA Business Consultancy LLC.

Thank you for contacting us regarding Spain Visa & Residency Services.

For further assistance, please continue the conversation on WhatsApp."

↓

## PHASE 2 – WHATSAPP LEAD QUALIFICATION

Once the lead contacts WhatsApp, the system automatically asks:

### QUESTION A:

Which service would you like to apply for?

1. Schengen Tourist Visa
2. Digital Nomad Visa (DNV)
3. Non-Lucrative Visa (NLV)
4. Self-Employed / Business Residency
5. Family Reunification / Partner Residency
6. Study Visa

### QUESTION B:

How many applicants are included?

- Main Applicant Only
- Main +1
- Main +2
- Main +3
- Main +4
- Main +5

If more than 6 applicants:

A comment box appears allowing the client to enter the exact number of applicants.

## PHASE 3 – FREE ASSESSMENT & VERIFICATION CONSULTATION BOOKING

After answering the qualification questions, the client automatically receives the following message:

"Congratulations.

Based on your initial information, you are invited to book a FREE Assessment & Verification Consultation with one of our consultants.

Please use the booking link below to select your preferred date and time."

The booking should collect:

- First Name
- Last Name
- Email Address
- Nationality
- Preferred Date
- Preferred Time

#### PHASE 4 – APPOINTMENT CONFIRMATION

Once the booking is scheduled:

The system automatically sends a confirmation email from:

clients@aaabusinessconsultancy.com

The email contains:

- Appointment Confirmation
- Selected Date & Time
- Meeting Link
- Company Profile (PDF)
- Reschedule Button

The same information should also be sent via WhatsApp.

And reminder before the 30 Minutes the meeting to confirm whether she/ he will join the meeting at least we will know they will join or not.

#### PHASE 5 – CONSULTANT ASSIGNMENT & PREPARATION

Once the appointment is confirmed:

The assigned consultant reviews the client's details before the consultation.

The assignment should preferably be based on:

- Client Nationality
- Preferred Language

Objective:

To provide the client with the most suitable consultant for better assistance and higher conversion rates.

CRM Requirement:

Can the system manually assign clients to specific consultants based on nationality or predefined rules?

↓

## PHASE 6 – CONSULTATION PROCESS

The assigned consultant conducts the consultation.

Requirements:

- Meeting recording starts automatically.
- Recording is saved automatically in secure cloud storage.
- Client file is created automatically.

Actions Buttons:

Button 1:  
COMPLETED

Button 2:  
NO SHOW / CANCELLED

Comment Box:  
Consultant Notes & Recommendations

↓

## PHASE 7 – CONSULTATION OUTCOME

If Consultation Status = COMPLETED

Consultant records:

Client Requested Service:  
(Service Name)

AAA Recommended Service:  
(Service Name)

Additional Consultant Notes:  
(Comments & Recommendations)

If Consultation Status = NO SHOW or CANCELLED

System automatically sends:

## QUESTIONS FOR CRM DEVELOPMENT COMPANY

1. Can consultant commissions be calculated automatically once a case is closed?
2. Can clients be assigned manually to specific consultants according to nationality, language, service type, or availability?
3. Can role-based permissions and restrictions be implemented for consultants, managers, finance staff, and administrators?
4. Can meetings be recorded automatically and stored securely inside the CRM or linked cloud storage?
